TO THE HONORABLE ROBERT D. DRAIN  
UNITED STATES BANKRUPTCY JUDGE:

Pursuant to 28 U.S.C. § 1746, and in accordance with this Court's case management procedures set forth in the *Amended Order Implementing Certain Notice and Case Management Procedures*, entered on November 1, 2018 (ECF No. 405) (the "**Amended Case Management Order**"), the undersigned hereby certifies as follows:

1. On August 30, 2022, Sears Holdings Corporation and certain of its affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "**Debtors**"), filed the *Debtors' Fiftieth Omnibus Objection to Proofs of Claim (Reclassify Claims)* (ECF No. 10620) (the "**Omnibus Objection**").

2. In accordance with the Amended Case Management Order, the Debtors established a deadline for parties to file responses to the Omnibus Objection (the "**Response Deadline**"). The Response Deadline was set for September 20, 2022, at 4:00 p.m. (prevailing Eastern Time). The Amended Case Management Order provides that pleadings may be granted without a hearing, provided that no objections or other responsive pleadings have been filed on, or prior to, the relevant response deadline and the attorney for the entity who filed the pleading complies with the relevant procedural and notice requirements. Since the filing of the Omnibus Objection, the Debtors received informal responses or indications of intent to submit a response from claimants regarding certain claims (the "**Claims**").

3. Therefore, the Debtors have removed the Claims from Exhibit 1 to the proposed order (the "**Proposed Order**"), a copy of which is annexed hereto as **Exhibit A**.

4. The Response Deadline has now passed and, to the best of my knowledge, with respect to the claims identified in the Proposed Order, no further responsive pleadings have been filed with the Court on the docket of the above-referenced cases in accordance with the procedures set forth in the Amended Case Management Order or served on counsel to the Debtors.

5. A redline of Exhibit 1 to the Proposed Order marked against the version attached to the Omnibus Objection is attached hereto as **Exhibit B**.

6. Accordingly, the Debtors respectfully request that the Proposed Order be entered in accordance with the procedures described in the Amended Case Management Order.

I declare that the foregoing is true and correct.
